

CHANGE THE WORLD WITH NELSON MANDELA UNIVERSITY

You choose a university to get an excellent education but it's also about so much more. It's finding somewhere to have fun, make friends, develop skills, gain confidence and lay the foundation to realise your dreams.

Here are four reasons you'll love being a Madibaz.

1. Your learning experience

Choose from 500 undergraduate study fields in seven distinct faculties to reach your full potential. Founded on more than a century of quality higher education, Nelson Mandela University nurtures innovation, fosters creativity, embraces technological advancement, and develops people to add value in an evolving world.

3. Life beyond lectures

The university offers a variety of social and cultural activities, which means you can have fun while you study. There is an extensive range of sport codes, associations, societies, clubs and facilities, allowing you to make new friends, interact with your fellow students and explore subjects of mutual interest.
